Lufthansa Cargo exhibits at transport logistic

**Munich Trade Fair, hall B1, booth 101/202 (directly at the west entrance) +++
UPDATE**

Europe's leading cargo airline will once again be represented with a large booth at the transport logistik exhibition in Munich this year. From 4 to 7 June, Lufthansa Cargo together with **Swiss WorldCargo** and **time:matters**, cordially invites you to an interchange. In addition to detailed product and service information and the opportunity for dialogue, there will also be a flight simulator with instruction by an experienced pilot.

Lufthansa Cargo's latest project in the field of sustainability, which is being

carried out jointly with the University of Art and Design, will feature special exhibits. Prototypes of various products and concepts created by upcycling air freight containers and loading aids will be exhibited.

We would like to draw your attention to three particularly interesting events:

As part of the opening of transport logistic in the panel discussion "**Changing Global Markets**"

Dorothea von Boxberg, Member of the Executive Board Product and Sales and CCO of Lufthansa Cargo AG

will be taking part on **Tuesday, 4 June 2019, 10:45 am** in the **Forum I in Hall B2**.

On the subject of "Artificial Intelligence: **Next Level Air Cargo?**

Peter Gerber, Chairman of the Executive Board of Lufthansa Cargo AG

will participate as a keynote speaker in an industry discussion

on **Wednesday, 5 June 2019, 10:00 a.m.** at **Forum II in Hall B2**.

Furthermore, all journalists and interested visitors to the trade fair are also cordially invited to a joint appearance by

Peter Gerber, Chairman of the Executive Board and CEO of Lufthansa Cargo AG

and

Dr Michael Kerkloh, CEO and President of Munich Airport

on **Wednesday, 5 June 2019, 12:00 noon** at the **Lufthansa Cargo booth in Hall B1**.

Two short statements will be followed by an opportunity to ask questions.

Also on **Wednesday, 5 June 2019** from **12:30 to 2:30 p.m.**, representatives of the management of **Lufthansa Cargo, time:matters and heyworld** will be available for **individual discussions with journalists** at the booth in Hall B1 – snacks and drinks are provided.

We look forward to your visit.

Lufthansa Cargo AG

With a turnover of 2.7 billion euros and 8.9 billion revenue tonne-kilometres in 2018, Lufthansa Cargo is one of the world's leading companies in the transport of air freight. The company currently employs about 4,500 people worldwide. Lufthansa Cargo focuses on the airport-to-airport business. The cargo carrier serves around 300 destinations in more than 100 countries with its own fleet of freighters, the belly capacities of passenger aircraft operated by Lufthansa German Airlines, Austrian Airlines, Brussels Airlines, Eurowings and SunExpress, and an extensive road feeder service network. The bulk of the cargo business is routed through Frankfurt Airport. Lufthansa Cargo is a wholly owned Lufthansa subsidiary of Deutsche Lufthansa AG and Lufthansa Group's logistics specialist.
