Lufthansa Cargo

Lufthansa Cargo is one of the world's leading cargo airlines and part of the Lufthansa Group, Europe's largest airline group. Through its four cargo hubs in Frankfurt, Munich, Brussels and Vienna, the airfreight specialist transports an average of 2,500 tons of freight per day. This is based on a strong and reliable airport-to-airport network that covers some 350 destinations in more than 100 countries. Lufthansa Cargo markets the cargo capacities of the passenger aircraft of Lufthansa Airlines, Austrian Airlines, Brussels Airlines, Discover Airlines and SunExpress, as well as its own freighter fleet of 18 Boeing 777F and four Airbus A321F. In addition, some 300 trucks operate daily under a Lufthansa Cargo flight number. Together with its subsidiaries, Lufthansa Cargo offers customized, fast and efficient logistics solutions along the entire supply chain. In this way, the company fulfills its mission "Enabling Global Business" and connects markets and trading partners worldwide. Innovative technologies and investments in sustainability play a central role. In addition to a modern fleet and the use of sustainable aviation fuel (SAF), the focus is on continuous optimization of flight operations. In 2024, the company generated revenues of 3.26 billion euros and a transport performance of 8.5 billion freight tonne-kilometers. It currently employs approximately 4,200 people worldwide.
